

Public Open House

The Texarkana MPO is developing a Metropolitan Transportation Plan (MTP) update. This MTP outlines the future transportation vision and needs of the communities within the region and to produce a combination of strategies and projects to address these needs. To understand what the community needs and desires, the Texarkana MPO is holding an open house for people to provide feedback on what improvements they want.

Texarkana Convention Center
2910 S Cowhorn Creek Loop
April 15 • 4 pm - 7 pm
