Arkansas State Highway Commission Releases Statewide Transportation Improvement Program for Public Comment

LITTLE ROCK | September 16, 2022

The Arkansas State Highway Commission is pleased to announce the release of the Statewide Transportation Improvement Program (STIP) for Federal Fiscal Years 2023-2026.

The public is invited to review and comment on the contents of this document through **October 20, 2022**. Download the STIP from the Arkansas Department of Transportation (ARDOT) website at: www.ardot.gov/STIP.

The projects listed are the state's overall highway and transit programs and encompass all areas of the state. With respect to urban areas greater than 50,000 in population, Metropolitan Planning Offices (MPO) are including individual projects in their Transportation Improvement Programs. Consult the MPO for additional information on projects located within an MPO area.

This program is consistent with the Arkansas' long-range plan and includes roadway, bridge, safety, intersection improvement, and transit projects. This document is prepared in response to Title 23 United States Code, Section 135 – Statewide Planning Requirements. Copies of the Draft STIP are also available by mail when requested through ARDOT's Program Management Division at (501) 569-2262.

Submit all comments regarding the STIP in writing to:
