The Texarkana Metropolitan Planning Organization (MPO) has been working on its Connect to 2050 Texarkana Metropolitan Transportation Plan (MTP) update over the last year. This plan must identify how the metropolitan area will manage and operate a multi-modal transportation system (including transit, highway, bicycle, pedestrian, and accessible transportation) to meet the region's economic, transportation, development, and sustainability goals.

The MPO would value your additional feedback in shaping the future of the transportation system in the Texarkana region by attending an open house to review the proposed projects and results of our analysis.

Our consultant will be present at the Texarkana TX, City Hall Council Chambers on the 2<sup>nd</sup> Floor, located at 220 Texas Blvd. Texarkana, TX 75501 July 17 from 4-6pm.

This meeting will initiate the 60-day review of the draft MTP, with the 30-day review period beginning August 15.

We look forward to your attendance and feedback
